We've got Kevin Costner back in his cowboy hat, so make sure to watch Yellowstone season 3 online and on Paramount Network. The hit Western drama continues with another season of family feuds, ranching rivalries, shady development deals and political power plays. Yellowstone stars Costner as John Dutton, the sixth-generation patriarch of the Dutton family, who controls the Yellowstone Dutton Ranch, the largest contiguous ranch in the United States. This is still frontier country and the ranch is under constant attack by land developers, an Indian reservation, and United States of America's first national park. John's family includes son Kayce Dutton (Lucas Grimes), a former Navy SEAL whose wife, Monica (Kelsey Asbille Chow), is Native American. There's Beth Dutton (Kelly Reilly), a financier who has struggled with substance abuse problems. Jamie Dutton (Wes Bentley) is a lawyer and aspiring politician. And Rip Wheeler (Cole Hauser) is the ranch foreman with romantic ties to Beth. Season 3 follows up on several of the storylines from the end of season 2, including the kidnapping of Tate, Kayce and Monica's young son, and Beth's assault at the behest of the villainous Beck brothers. As the Duttons seek to heal those wounds, they encounter a new foe in the form of a hedge fund manager named Roarke Carter (Josh Holloway). It's hard to believe this chapter of the hit Paramount Network show is concluding, because so much has happened! John Dutton (Kevin Costner) and his children survived the attacks against them, but they continue to face threats all around. And the signs seem pretty clear that death is on their doorstep again.Yellowstone season 4 finale start time, channelYellowstone season 4 finale is scheduled to air tonight Sunday (January 2) at 8 p.m. ET/PT on Paramount Network. Cole Hauser, who plays Rip, has said the finale is "a very wild finish to an amazing year." Last week, John suggested Beth (Kelly Reilly) move out of the ranch due to her actions against Summer (Piper Perabo). But thanks to her position within Market Securities, Beth may have one more trick up her sleeve to help John carry out his promise to get Summer out of jail. Meanwhile, Kayce (Luke Grimes) left on a spiritual quest — right after Monica (Kelsey Asbille) announced her pregnancy. Somehow, we have a feeling things may not turn out well for the couple. Plus, there's still the unresolved issue of Garrett Randall (Will Patton), who is responsible for the attacks against the Duttons. Will Jamie (Wes Bentley) finally reveal what his biological father did against his adoptive one? And will Garrett be made to pay for his crimes?In addition to the finale, don't forget to watch 1883, which releases episode 4 on Sunday.Here's everything you need to watch Yellowstone season 4 finale online, even without cable.
